RE: SEIU COPE, FEC ID C00004036  
Amended September Monthly Report (8/1/10 ? 8/31/10) received 10/21/10

Dear Ms. Lewis:

I am counsel for the Service Employees International Union Committee on Political Education (SEIU COPE). This is in response to your letter dated November 30, 2010. I will address each of the items in your letter in turn:

1) The independent expenditures in support of Jeff Greene were made before the Florida primary was held on August 24. Due to a failure of communications, the reporting staff was not aware of these expenditures until after the primary was over and therefore no 24 hour notice was filed. However, the expenditures were reported correctly on the Schedule E of the next report filed, the September Monthly Report Form 3x filed on September 20, 2010. After this 24 hour notice error was detected, the Committee put additional procedures in place designed to avoid any future recurrence of this type of problem.

2).Your letter noted that the beginning balance(s) for an outstanding debt(s) owed to SEIU-CC, LLC was not disclosed on the Amended 2010 August Monthly Report. However a review of the debts to this vendor included in the Amended September Monthly Report shows that each of the beginning balances IS matched by the reported ending balance included in the Amended 2010 August Monthly Report, received 10/21/10. Based on our review, we believe the filed amended reports are correct and that no further amendment or action is needed.

If you have any further questions regarding this matter, please feel free to contact me at 202-350-6571.

Very truly yours,

Mark Schneider  
Counsel for SEIU COPE
